

2024 the 4th International Conference on Information Communication and Software Engineering (ICICSE 2024) will be held in Beijing, China during May 10-12, 2024. It's sponsored by Beijing University of Technology, China, IEEE, and IEEE Comsoc.

CALL FOR PAPERS

TRACK 1. Computer Information Science

Big Data
Business Information Systems
Algorithm and Data Structure, Database Computing
Cloud Computing
Computational Intelligence and Complexity

TRACK 2. Software Development and Design

Program repair
Software testing
Program analysis
Programming languages
Software ecosystems
API design and evolution

TRACK 3. Communication and Information Engineering

Communication Networks
Embedded/cyber-physical systems
Mobile applications
Communication Engineering
Wireless Communications
Mobile Communications
